

COMMITTEES

On 10 June 1965 Mr. Becker recommended to Mr. Blake XXX. that a Sci. Advisory Panel for Computer Sciences be established. due to increasing rate of usage in CIA, with useful input in both analog and digital areas and in evaluating for DCI computer resources in intelligence from the Community viewpoint.

Suggested names:

25X1

Suggestion at 3rd mtg of CODIB WKG GRP ON TRG
that report to CODIB should state:

Objective of wkg grp is the training of intelligence personnel in the building, use, and mgmt of more effective systems for storage, manipulation, retrieval, transmission, and display of intel info (i.e., the basic processing portion of the full intel cycle) - although the wkg grp clearly recognizes that buttressing the processing element
